## Poppies

Jesse Gray took part in making poppies for a display now on at the Rushcliffe Arena, please pop down and see them.

We will be selling poppies and other remembrance products in school week commencing 5<sup>th</sup> November. Please view the attached flyer for details of what is available and prices. Can children please bring the right money with them as no change will be given. Prefects will be selling them in the classrooms throughout the week.

## Eddie O'Rourke retirement

Sadly we must announce that Eddie will be retiring as our patrol officer from Christmas. Eddie has been part of the school team for many years and he will be sadly missed. We are recruiting for a new patrol officer, a flyer is attached to the newsletter in case any JG parents know of anyone that would be interested in the position.

## Head Lice

We seem to be experiencing a continuing head lice problem within the school.

Despite many parents' best efforts, we are still having children regularly infested.

Could I ask you ALL to assist us by checking your child's hair regularly and treating the problem as required over the next month?

If you are not sure how to treat your child go along to the Health Centre and see the nurse who will offer advice leaflets and information on lotion to treat the hair.

Although our school nurse recommends using conditioner on your child's wet hair then combing through it on a regular basis, we have also been advised to inform you that using a mousse product such as Headrin may be more effective. A parent has also recommended a product called nitty Gritty lotion which is worth a try.

If you have web access visit [www.headliceadvice.net](http://www.headliceadvice.net)  
Hopefully, together we'll break the cycle of infestation.
