## Healthy Snacks and Allergies

Can we please request that children do not bring nuts or any nut based products to school? We have some children with very severe allergies. The healthy snacks list is also attached to the newsletter with guidance on the snacks that are permitted for children's break time.

## FS2 Request for help!

The foundation classes have purchased a lovely new play shed for their outdoor area; however they require assistance with putting it up. If there are any parents with building or good DIY skills that would be able to spare some time to help them put it up please let the office know. Any offers of help will be greatly appreciated.

## Nottinghamshire's annual consultation on admission arrangements

The County Council is required by the School Admissions Code to determine admission arrangements annually. Any changes have to be consulted upon prior to determination.

Every year, at the autumn term governing body meeting, an important agenda item is the consultation about the admission arrangements for community and voluntary controlled schools. This year, the consultation is in relation to the admission arrangements for 2020-2021 and will run from **21 November 2018 to 15 January 2019**.

Nottinghamshire's consultation on admission arrangements for community and voluntary controlled schools together with the coordinated schemes will be available on the NCC website from 21 November 2018 to 15 January 2019:
