

Communication, Language and Literacy

We will be explorers this half term and will be reading lots of fiction and non-fiction books about polar animals and arctic environments. We will then get in our time machines and discover the land of the dinosaurs as so many children have expressed an interest in this topic as well as finding out about fossils, journeys, maps and travelling on buses, trains, trams and planes!

Learning is fun in FS2!

Numeracy

In maths we will be forming numbers correctly and counting on and back. In practical activities, discussion we will use the vocabulary involved in addition and subtracting. We will record our maths work too. We will also be solving mathematical problems and will continue to learn more about shape, space and measure.

R.E.

We will be reading Bible stories for children. We will learn about Valentine's Day, Pancake Day and celebrate Mother's Day.

PSE

Road, rail and water safety.

Being healthy through exercise, the food we eat and hygiene.

Circle Times

Jesse Gray Golden Rules

Class Targets

Assemblies

Jesse Cat and Gray Dog!

Up, Up and Away!

Spring Half Term 1

Physical Development

Motor Skills - cutting, sticking and box modelling. Play and salt dough. Clay. Paint mixing, collage, cutting and sticking. Dance, drama, movement and ring games, Dough Disco. Outdoor play REAL PE with Mr Smith each Tuesday morning

BUSY BOOKS - We use these in Term 1 however you are welcome to continue them if you wish. Please could you send in the books for us to store in class as the children still love to share them!

Please continue reading and key words for home learning.

Understanding the World

We will be learning about the past and the present. What do we know about dinosaurs? What would we like to find out?

A very special visitor will be coming to see us!

What is there in space? How long would it take us to get to the moon? What are stars made of? What other questions do we have?

Where are the polar regions? Who lives there? What is their habitat like? What do they eat? Could we live there?

All about China - celebrating the Chinese New Year.

Ways to help at home

Sharing books/Reading school reading books

Learning letters and key words

Writing full names forming letters correctly

Practising forming letters and numbers

Counting up and down to 10 or 20 and beyond.

Finding 3D shapes in the environment.

Weighing and Measuring

Counting out objects together accurately one by one and adding them

Expressive Arts and Design

We will be box modelling, paint mixing, collage, cutting and sticking. We will have weekly singing and music lessons with Mrs Walton. We will be modelling with clay and salt dough to make different animals. We will be having dance and drama in the hall each week.
