Head lice

We seem to be experiencing a continuing head lice problem within the school.

Despite many parents' best efforts, we are still having children regularly infested.

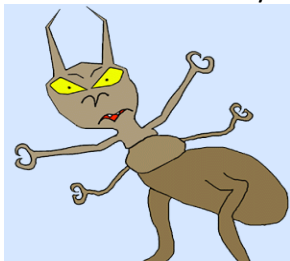

Could I ask you ALL to assist us by checking your child's hair regularly and treating the problem as required over the next month?

If you are not sure how to treat your child go along to the Health Centre and see the nurse who will offer advice leaflets and information on lotion to treat the hair.

Although our school nurse recommends using conditioner on your child's wet hair then combing through it on a regular basis, we have also been advised to inform you that using a mousse product such as Headrin may be more effective.

If you have web access visit www.headliceadvice.net

Hopefully, together we'll break the cycle of infestation.
