

	Autumn		Spring		Summer	
FS2	Beebots		iPads Taking photos environment, how to print Internet safety e.g. using Maily		Computers Turning on & using paint Internet safety e.g. using Maily	
Y1	Internet safety Maily Logging on etc. including basic skills	Algorithms ~ unplugged activities CAS Barefoot Crazy characters	Creating digital content ~ word, internet etc. linked to Topic	Creating digital content ~ word, internet etc. linked to Topic	Programming Beebots	Paint/pic-collage Creating and sharing images
Y2	Scratch/Espresso Coding	iPads – apps using camera Using technology purposefully Link to Topic	Robot control	Creating digital content & basic computer skills	Creating digital content ~ word, internet, PPT Copy/paste Saving/resizing images	Robomind
Y3	Computer skills E.g. split screen, drag & drop, keyboard shortcuts	Espresso Coding	Scratch/Robomind	Robot control ~ Sphero robots	Creating digital content Sharing/presenting information - Word	Scratch/Espresso/ Robomind
Y4	Creating Content Using computers for basic skills. E.g. typing, saving Create a DOC/PPT based on Topic	Robot control – Sphero	Search results Internet services Collect, analyse, evaluate and present information using Google Docs - sharing		Robomind/Scratch/ Discovery Education	Microbits
Y5	Robomind/Scratch/ Discovery Education	Collect, analyse, evaluate and present information using Google Sites Search results ranked – algorithms	Microbits	iMovie	Robomind/Scratch/ Discovery Education	Robot control – Lego Mindstorms/ Sphero
Y6	Scratch/Robomind/ Coding	Collect, analyse, evaluate and present information using green screen & excel	Robot control - Sphero	Microbits	Lego ~ design and create systems	Teacher choice

Online safety to be taught throughout all years
