Championing Fair Play & Fun ...Creating Team Players for Life!

The *'Spirit of Cricket'* is delivered by vetted, enthusiastic, qualified coaches. The coach will start with fun warm up games and then introduce some exciting skill based activities & games.

It's not a cricket match! The activities all have cricket at their heart and are based on the 'FUNdamentals of movement', developing hand eye coordination, individual skills, team work & fair play. Each session has a particular theme whether it be batting, bowling, catching, throwing or fielding. All of the elements of the team sport are incorporated into all the sessions.

'Little Wickets' is more than just learning to bat, bowl & field. The emphasis is always on joining in and having fun!
