VALUE OF THE MONTH: FAIRNESS

Annual Parents' Survey

Every year the school gathers views of parents to help us to understand what we are doing well (and need to keep doing well) and what we can do to improve. The completed questionnaires are just being analysed and we will share our findings with you soon. Parents, did request a weekly newsletter... You speak and we listen. Here it is, hot off the press, our 1st weekly newsletter! Enjoy! ☺

Parent Consultations

It was lovely to see you all at the parent consultations last week and our Governing Body enjoyed meeting you as they distributed the questionnaires. Please don't forget our Assessment Briefing on Tuesday 1st December at either 2.30pm or 6.15pm in the school hall.

Children in Need

We all had a brilliant day recognising Children in Need and World Kindness Day. As always, our children were full of Pudsey spirit and kind to one another and your generosity has allowed us to donate £575 to the cause. Thank You!

Anti Bullying week

This week has been, as usual, very busy and exciting. The children have learned more about what makes a good friend and why bullying and cyber bullying is not acceptable. They know that if they ever felt like they were being bullied they must TELL TELL TELL! We then, on Friday, had an Anti Bullying Performance about Cyber Bullying from a theatre company. A great way to end a great week! ☺

Don't forget to check out your child's Class Webpage. They are now all updated weekly and will provide you with lots of information about your child's class and curriculum coverage:
